INNOVATIVE DENTAL PARTNERS

YOUR ULTIMATE DENTAL DESTINATION

Named Naperville's best dental practice for 15 consecutive years, we put our patients' comfort and smile results at the forefront, combining a passion for customer care with cutting-edge technology. With three award-winning practices under our umbrella—Innovative Pediatric Dentistry, Innovative Orthodontic Centers and Naperville Dental Specialists—your entire family's smile needs can be addressed in one convenient location.

Founders, Dr. Anthony LaVacca, Diplomate of the American Board of Prosthodontics, and Dr. Manal Ibrahim, Diplomate of the American Board of Orthodontics, are leaders

in their fields. Dr. Ibrahim is among the top Invisalign® and SureSmile® braces providers in the world and serves as a faculty member in the Department of Orthodontics at the University of Illinois at Chicago.

Dr. LaVacca has been recognized for his contributions in the field of implant prosthodontics. He has participated in research studies, published articles and even provided the Chicago Blackhawks with dental care. Dr. LaVacca uses cutting-edge

techniques and tools to give patients life-changing reconstructive dental treatment.

They are joined by a team of talented general dentists and hygienists, as well as board-certified specialists, including a pediatric dentist, an orthodontist, oral surgeon, endodontist, periodontist and a dental anesthesiologist. Our doctors are trained in state-of-the-art techniques, using technology to painlessly and conveniently protect, restore and rejuvenate smiles. With generalists and specialists under one roof and a friendly, professional team, Innovative Dental Partners can give your family the most coordinated, comprehensive care possible.
